SAT. MAY 19, 10 – 5

SUN. MAY 20, 12 -3:30

Join Pat for two days of fun painting , using your favorite photographs or your own sketches as sources. She will also bring many ideas to use.

Starting with demonstrations, Pat will go through her process for painting in watercolor on Yupo, a synthetic paper that allows the paint to stay loose, fluid and translucent. See how to create an effect that is not easily achieved on traditional watercolor paper. Pat has her MFA and over 35 years teaching experience. She is comfortable working with students at all levels of experience. Beginners welcome. You might want to bring your lunch.
